Re: Reclamation Schedule, Interstate Brick Company, Big Cottonwood Mine,
M/035/003, Salt Lake County, Utah

Dear Mr. North:

On December 27, 1993, we received notification that our November 12, 1993 letter was delivered to you on November 16, 1993. We do not know the reason for the delay of nearly six weeks in our receipt of the delivery notification slip. Our letter requested a proposed schedule for the outstanding reclamation treatments within two weeks of your receipt of the letter. As of this date, we have not received the requested schedule.

Please provide a schedule for completion of the reclamation treatments, as described in our November 12, 1993 letter, no later than **January 17, 1994**. Please notify us immediately, if you anticipate any problem in meeting this deadline. As previously noted, all outstanding reclamation at this site must be completed no later than **June 1, 1994**. Please contact me or Tony Gallegos if you have any questions in this regard.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Reclamation Program
